## **WLTP**

The Worldwide Harmonized Light-Duty Vehicle Test Procedure (WLTP) is designed to provide a standardised measurement and enables the consumer to make reliable comparisons between well-cle six footbulled Light-Duty valide Test Procedure (WETP) is designed to provide a standardised field refined a familiar the results of this test may not accurately reflect the actual fuel consumption, emissions, or range that a driver might experience in the real world. Actual results may vary depending on various factors such as driving style, road conditions, temperature, weather, vehicle load, and maintenance. Therefore, the WLTP results should be considered as an indicator of the vehicle's performance and not as a guarantee of the actual energy consumption, emissions, or range that a driver will experience in real-world driving conditions, or for making a vehicle-to-vehicle comparison. All WLTP test values are provided in accordance with New Zealand Land Transport Rule: Vehicle Efficiency and Emissions Data 2022. For further information, please visit - https://www.skoda.co.nz/owners/wltp

Special price from

\$79,990+ord Price\*

Normal MRP from \$89,990 (driveaway)

✓ = Standard -- = Not available Updated February 2024 Page 1 of 3

<sup>\*</sup> Śkoda driveaway pricing excludes any optional extras and any NZ Government fee that may apply. Special pricing is while stocks last only and is subject to change without notice.
\*\*Standard warranty. Other promotional offers may exceed standard terms, and if selected they would be added to vehicle price.
\*\*\*The official fuel consumption, emissions, and EV range figures determined by the WLTP test should be used as a guide only, or for vehicle to vehicle comparison. Actual results may vary due to factors such as driving or environmental
